COOPERATIVE EDUCATION

Learning Beyond the Classroom

Jerome Abbott, ENRT Student

The Co-op student work placement program is a spectacular way to solidify academic knowledge, as well as adding a few more school credits to your transcript.

While working at NVIT, I was fortunate to have had opportunities like electrofishing and data collection.

My work experience helped me hone my time management, problem-solving, safety, and peer relationship skills.

Testimonials

- **“It changed my life!”** ~ Jonathon N.
- “Co-op has given me the opportunity to work as an Indigenous summer intern for RBC! It was a great experience and, a way to build a strong network across Canada.” ~ LeSandra A.
- “I feel so fortunate to have had this work term, I couldn’t have asked for a more perfect starting point for furthering my forestry career.” ~ Andrew J.
- “The co-op program has made it possible for me to achieve my goal of employment. In my work term through co-op, I have gained significant self-confidence in myself and at my job.” ~ Shannon V.
